MEMORANDUM FOR Amy Zech

SUBJECT: Letter of Appreciation

1. It is with great pleasure that I take this opportunity to express my sincere appreciation for the outstanding support, and assistance you have provided Marseilles Training Center.
2. Your willingness too incorporate several GPS/GIS projects needing completed at the Marseilles Training Center, into your training schedule demonstrates an exemplary and high commendable customer focus. This flexibility allowed many projects to either reach completion or move to the next step, much sooner than would other wise have occurred.
3. The amount of time detail, and attention you gave to fore mention projects went well beyond my expectations. The support you provided will make a huge difference in the quality of the training at the Marseilles Training Center.
4. Again Thanks to you for all you hard work at the Marseilles Training Center from all of us in the Illinois Army National Guard. Well Done!
5. Request a copy be placed in your personnel file.
